

# <Taking a Closer Look/>

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Choose one of your favorite hobbies or free-time activities. Find **three** different websites about this topic and answer the following questions about each one. Pick a variety of websites (for example, try to avoid using three blogs, or three news websites).

Keep this worksheet in a convenient location. It will be referenced later in the course as you learn more about web design and begin making your own webpages.

## Website 1

1. What is the website address (URL)?
2. What are your favorite things about this website and why?
3. What don't you like about this website?
4. What types of elements are used?
5. Do you think the balance of elements used is appropriate for the material?
6. If you made this website, what is at least one thing you would do differently?

# <Taking a Closer Look/>

## Website 2

1. What is the website address (URL)?
2. What are your favorite things about this website and why?
3. What don't you like about this website?
4. What types of elements are used?
5. Do you think the balance of elements used is appropriate for the material?
6. If you made this website, what is at least one thing you would do differently?

# <Taking a Closer Look/>

## Website 3

1. What is the website address (URL)?
2. What are your favorite things about this website and why?
3. What don't you like about this website?
4. What types of elements are used?
5. Do you think the balance of elements used is appropriate for the material?
6. If you made this website, what is at least one thing you would do differently?
